

◆ GIVE  
COMFORT

give  
JOY

“He gives strength to the weary and  
increases the power of the weak.”

— Isaiah 40:29

Christmas season isn't always  
about toys or presents or what's  
under the tree. It's about sharing  
joy, love and family.

Unfortunately, there are children in our  
communities who have been abandoned,  
neglected and left without the support they  
so desperately need. But with your help,  
we can give them the greatest gifts of  
all—hope, love and a place to call home.

Mark this season of giving with a donation to  
Embrace Florida Kids. Your gift will help us  
provide homes, love and better opportunities  
for children in need. It's perhaps the greatest  
gift you will give this Christmas season.
